

CSS452 Internet of Things

Exercise 1: Introduction to ESP32

(Due Date: 20th Aug., before 11.59am, to Google Classroom)

1. Do the Example 1 in Lecture Note 3. Take a video to show

- circuit connection,
- Arduino code,
- demonstration: pressing the switch (pressing → LED on; not pressing → LED off).

Submit the video (about/less than 20 seconds) to the Google Classroom.
